LEFT

A detailed architectural drawing of the front elevation of the building. The structure is a long, low-profile rectangular building with a flat roof. The facade is composed of several vertical sections. On the left, there is a small square section with a window. This is followed by a larger section with a series of vertical lines, possibly representing a wall of windows or a decorative element. The central part of the building features a prominent entrance with a small, arched doorway. To the right of the entrance, there is another section with vertical lines, and a small square section on the far right with a window. The drawing is labeled 'FRONT' at the bottom center. On the left side, there is a vertical scale bar with markings at 0.000 and 72.000. The drawing is oriented horizontally, with the front of the building facing right.

RIGHT  **4.000**
0.000

A diagram showing the bottom of a rectangular box. Inside the box, there are 12 small circles arranged in a single horizontal row. Below the box, the word "BOTTOM" is written in bold capital letters.
