

A square with four small circles at the corners and two vertical bars on the left side.

A blank coordinate plane with a horizontal x-axis and a vertical y-axis. Both axes are labeled from 0 to 24,000 in increments of 3,000. The origin is at the bottom-left corner. The x-axis is labeled with 0, 3,000, 6,000, 9,000, 12,000, 15,000, 18,000, 21,000, and 24,000. The y-axis is labeled with 0, 3,000, 6,000, 9,000, 12,000, 15,000, 18,000, 21,000, and 24,000. The grid lines are not drawn, only the axes are shown.

24.000

0.000

A 3D line drawing of a rectangular box, viewed from an isometric perspective. The box is white with black outlines. On the right side, there are two latches or hinges, one near the top and one near the bottom, both shown in a closed position. The top surface of the box is slightly recessed, suggesting a lid or a separate compartment.
