FRONT

RIGHT

A side view of the assembly. The bracket is on the left, connected to a long plate. A nut is visible on the right end of the plate, securing it to the bracket.

BOTTOM

A technical line drawing of a rectangular panel, likely a door or a large cabinet door, shown from a perspective view. The panel is white with a black outline. It features two circular mounting brackets, one near the top right corner and one near the bottom right corner. Each bracket is attached to the panel with a screw. The panel is shown at an angle, revealing its thickness and the top edge.
